The Redstone display villages features homes from builders such as Carlisle Homes. Visitors are welcomed to the village to find a style, size and area that best fits them. (Pictures: Supplied)

Villawood launches Redstone display village in Sunbury

National developer Villawood Properties is launching one of Victoria's largest display villages with a giant street party at its Redstone community in Sunbury.

The 47-strong display village features 26 premier builders showcasing a kaleidoscope of chic designs, features and lifestyle options.

The first display village to be launched by Villawood at its 2500-lot Redstone site, the new builder showcase features homes of all sizes, shapes and styles to whet the appetite of first home buyers and high-end luxury home purchasers alike.

The display village has single and double-storey homes with light-filled designs, attractive mood board styling, facades, textures and outdoor features – all the latest offerings by top-line builders just itching to show off their very best to Sunbury's surging market.

Even before its formal opening, prospective buyers have been arriving from around Victoria as the north-west metropolitan region's popularity swells in response to lifestyle and work from home changes, as well as greater affordability.

The new display village is located across President Boulevard, Wanderer Road and Origin Circuit, right around Redstone's mural-emblazoned sales centre, featuring the band Queen.

The Redstone display village builder checklist is peppered with the country's top names: Arden Homes, Australian Building Co, Banksia Homes, Boutique Homes, Burbank, Carlisle, Dennis Family Homes, Eight Homes, Evolve Living, G.J. Gardner Homes, Grandeur Homes, Granvue Homes, Henley, Homebuyers Centre, Home Group, Infinity Homes, JG King Homes, Langdon, Metricon, Nostra, Parkvue Homes, Porter Davis, Ridgewater Homes, Simonds, Urbanedge Homes and VIVE Homes.

No matter what type of buyer you are or what stage of life you're at, Redstone's display village builders have the home to suit everyone and products available at affordable price points.

The Redstone community sales centre is located at 675 Sunbury Road, Sunbury. For more information, visit www.villawoodproperties.com.au/community/redstone/display-village.

Need local staff?
Then give us the job...

Your local ***Star Weekly*** has brought together local employers and local employees for generations... and it is no different today.

People prefer to work close to home... to save on transport costs, the frustration of travel and to be closer to family.
