Lighting up the season

Running for the second year in a row, P & G Real Estate's Christmas Lights Festival has begun for 2021.

Residents of Narre Warren South, Narre Warren North and surrounding areas are invited to register their home's own Christmas light display by Sunday November 28 to be in the running to win one of many great prizes.

With a great community response from 2020's Christmas Lights Festival, P & G Real Estate is excited to again be running this year's festival. P & G Real Estate will put together a map of the local area showing all homes participating in the festival after registrations close. This ensures local residents will have a fun-filled evening of Covid-safe festivities, driving around to follow the map and visit each display.

P & G Real Estate office manager Stephanie Lui said they would love to see more homes participate and grow from last year's participation level, which saw 18 homes decorated in the festive spirit.

"The participants don't do it to win a prize, they do it because it's fun and cheers people up," Stephanie said.

"We wanted to create this festival because all of us in the office love driving around and looking at Christmas lights, so we thought it would be a great idea to encourage a community festival to bring locals together."

First prize in the festival is a $1000 gift card, with second place receiving a $500 gift card and third place a $250 gift card. Those that register their homes and register to vote on the best displays will also go into the draw to win one of five $50 gift cards.

Voting opens on Friday 3 December and closes on Sunday 19 December, with the winners being announced on Facebook shortly after.

P & G Real Estate encourages visitors to be Covid-safe when viewing the displays - they are best viewed from your car or from a Covid-conscious social distance. Please refrain from touching the displays, and do not attend the displays if you are feeling unwell. Masks are also recommended for your safety and that of others.

P & G Real Estate is located at Suite 34, Level 2, 66 Victor Crescent, Narre Warren. For more information and to vote for your favorite display, visit eviewevents.com.au

Participants in the festival can win a range of great prizes.
