Family business

Roderick Insurance Brokers is a locally owned family business, operating from offices in Geelong and Werribee. The team is led by managing director Keith Roderick who started the business in 1986.

"We have a team of 40 highly experienced and qualified staff who are on hand to provide advice on any of your insurance needs. We strive for excellence in every aspect of our business," Mr Roderick said.

"At Roderick Insurance Brokers we are passionate about providing you with the right advice to give you the peace of mind that you have made the right decision for your insurance.

"We guide our clients through the full insurance process. First we get to know our clients' needs, then we source the most suitable cover and, finally, we provide a personalised insurance plan. We cover the full process from advice to complete claims handling. Our job is to make your life easier by lowering your risk. We are about building relationships with our clients to ensure their needs are understood and met."

Roderick Insurance Brokers first entered the GBEA Awards in 2012, winning a category for three years running. The firm was inducted into the Awards Hall of Fame in 2014 and continues to support the awards as a proud sponsor.

EML has clients' health at heart

EML is an Australian-owned and operated personal injury manager, and since 1910 has focused on helping people get their lives back after work-related illness or injury. EML is excited to sponsor the 2021 Geelong Business Excellence Awards this year.

"We want to help celebrate the successes of Geelong businesses," says EML's General Manager of Victoria, Elisa Hitchens.

"It's been another challenging year and we've all had to adapt under pressure. I take my hat off to the finalists and the winners – hopefully next year we can celebrate the awards in person again."

The 400-strong team in Victoria has supported employers and workers since being appointed an agent of WorkSafe Victoria in 2016. EML has recently doubled its team in Geelong to provide even more dedicated support, service and care to its regional customers.

"We've been in Geelong for five years," says Elisa.

"It's great that our business has grown and we have needed to employ more staff, taking us to a team of 50."

The EML team is excitedly preparing to move from its Pakington Street location to a newly renovated and well-appointed office space in Moorabool Street.

"Supporting our regional customers is very important to EML. Our team adapted well to working remotely and using telehealth to help customers during the pandemic.

EML Mutual since 1910

"However, I know our mobile case managers are really looking forward to being able to again get out on the road to meet with employers, workers and treating health providers face to face.

"We know that this personalised, tailored approach really gets results, helping the injured worker to recover and return to work sooner. This is what drives our team at EML."

Congratulations to the winners of the 2021 Geelong business excellence awards

We congratulate the Award winners on their commitment to the pursuit of business excellence. It's a commitment we understand as Roderick is an Award Hall of Fame member. For over 34 years our trained, expert staff have gone the extra mile to provide the right advice to our clients.
