# Ms Peacock serving a delicious food feast in the west

Eat, drink and chill. Eynesbury's atmospheric Ms Peacock Restaurant and Bar is all about celebrating these three pleasures – and everyone's welcome to join the fun.

Tucked inside the stunning heritage-listed Eynesbury Homestead, a sprawling bluestone family home built in the 1800s, Ms Peacock is a modern family-friendly restaurant with an Italian inspired menu that has something to tickle everyone's taste buds.

Gourmet wood fired oven pizzas, mouthwatering pastas, wood oven and rotisserie meat dishes, popular pub classics, kids' favourites, and to-die-for desserts will have diners spoilt for choice.

A must-try is head chef Gagan's famous Prosciutto De San Daniele pizza that saw him crowned Australia's number one entrant in Italy's fiercely contested 2022 World Pizza Championship.

Ms Peacock's jam-packed program of weekly events include Wednesday trivia nights, live music sessions showcasing local talent in the front bar on Friday evenings, and the Winter Warmer Roast every Sunday during the chilly season.

For those holding a special occasion – a wedding, milestone birthday, corporate event and everything in between – Ms Peacock and its experienced events manager can help you create a fantastic function.

Ms Peacock is open Wednesday to Sunday. Check out the menu and upcoming events at www.eynesbury.com.au/dining-and-events/ms-peacock/.
