LET THE PAINTBALL GAMES BEGIN

BY ELLE CECIL

ESTABLISHED in 1988, Paintball Games has been providing Melbourne's best paintballing experiences for over 25 years.

With courses in Coldstream, Cockatoo and Ballan, Paintball Games is a great way to burn some energy and have fun with family and friends.

There are options for adult paintball, for patrons 16 years and over, and low-impact paintball (known as Splatmaster or Miniball), for those eight years and above.

The adult paintballs are traditional, full sized .68 calibre paintball markers that travel at 300 feet per second. The low-impact paintballs are .50 calibre and use pump-action paintball markers.

Following legislation introduced in 2015, any non-prohibited person who is 16 years of age or over may participate in paintball gaming on an approved Victorian range without a license.

There are plenty of options for different packages, with adult games including 200 paintballs starting at $50 per person, 500 paintballs for $85 per person and 600 paintballs for $100.

Kids prices start at $40 per child for 300 paintballs or $50 per child for 400 paintballs.

All prices include vests, overalls, goggles and markers, as well as a basic introduction to how to safely conduct yourself on the course and how to use the provided equipment.

Group specials available for adult and low-impact packages. For more information, visit www.paintballgames.com.au or phone (03) 9777 0613.
