# Service goes skin deep

By Elle Cecil

As one of the country's leading experts in cosmetic injectable and aesthetic skin services, Australian Skin Clinics has you covered, whether you're looking for skin care, laser hair removal, cosmetic injectables or more.

Having opened Australian Skin Clinics Pacific Werribee in March, 2020, weeks before Victoria's first lockdown, it has been a tough start for co-owners Monica and Mai Tran.

The business is nominated in the personal and other services category for this year's Wydham Business Awards. The awards celebrate business entrepreneurs, innovators and hardworking operators and highlight achievements of leading Wyndham businesses across key industry sectors.

Monica and Mai have been in the industry for over 10 years. "We are passionate about all things skin and laser. We have a dedicated team who are available seven days a week for a complimentary consultation," Mai says.

"All our laser and dermal technicians must hold a minimum diploma and a laser safety certificate, as well as adhere to strict laser training protocols, to provide maximum benefit to clients."

Driven by their helping their clients to achieve results, the Pacific Werribee team believe that knowledge is power – they are proud to educate their clients and help them to feel good in their own skin.

"Our mission is to make people look and feel fantastic about themselves by providing leading edge, credible and medically researched cosmetic treatments in a professional, ethical and service oriented environment, with the highest priority always in the client's best interest," Monica says.

Australian Skin Clinics Pacific Werribee is located at Shop T004 Pacific Werribee Shopping Centre, opposite Coles.

Wyndham Business Awards entries close on Friday, June 3 for the category awards and Friday, June 17 for the People's Choice Awards. To enter or nominate a business for an award, visit: www.wyndham.vic.gov.au/businessawards.
