Check out the bistro's new spring menu for delicious seasonal dishes.

Snap a picture of the balloon on the roof of the club for your chance to win a $50 food and drink voucher. 246335

Join in the fun to win

The Monbulk Bowling Club continues to stand strong in the face of adversity, providing food, fun and friendship for locals even through hard times.

A combination of Covid restrictions and extreme weather conditions have proven difficult for businesses in the region. Outside of lockdowns, the team at the Monbulk Bowling Club will be open to the public, serving delicious, good value meals and thirst-quenching drinks, as well as providing a warm and welcoming family-friendly atmosphere.

Gather your friends and family to watch the footy over a few drinks and support a local business. Locals are encouraged to gather loved ones once lockdown lifts and enjoy a casual game of barefoot bowls or a meal together. Hosting bowls competitions for over 55 years, the club caters for beginners to experienced bowlers.

Friendly staff at the club will make guests feel welcome and appreciated. General manager Brendan Cox explains the downstairs lounge and bar area has recently been refurbished to provide an even more comfortable vibe for patrons.

"It is a place where you really get that small town, easy-going feeling with enough space to cater for all sorts of catch ups from a few friends to large functions," said Brendan.

As spring approaches, the club's bistro menu is also undergoing a change, providing lighter menu items to choose from, while keeping the classics available.

There is also a competition currently running at the club - spot the giant balloon on the roof of the club for your chance to win. For every picture posted, liked, and shared on Facebook, participants will receive an entry into the draw for a $50 food and beverage voucher.

This Father's Day on September 5, every dad will receive a free drink as well as entry to win a great hamper pack! For all those footy lovers, every AFL finals game will be shown at the club, with $5 schooners of Carlton Draught or Great Northern during every game. The Grand Final will also be on the big screens on September 25, with $5 schooners all day, and a halftime sausage sizzle. Pop into the Monbulk Bowling Club when lockdown lifts to celebrate with friends and family, and continue to support an iconic local business.

Find the Monbulk Bowling Club at 11 Moores Road, Monbulk. The bistro is open Wednesday to Sunday from 5.30pm. For bookings, phone (03) 9756 6183.
