A welcome time at hotel

By Elle Cecil

The Belgrave Hotel has recently undergone a change of ownership, coming into the experienced and safe hands of new owner and local John Cibescu.

As a family owned and operated business, the staff are warm and welcoming, while the chefs are passionate about providing quality classic pub meals with a seasonal menu using local fresh ingredients.

Operating with a fully licensed bar serving all the classics as well as exciting cocktails and barista made coffee, the Belgrave Hotel welcomes walk ins, reservations, tour groups and private functions.

"We are locals who have lived in the area for over 20 years, and we believe in supporting our community by using local businesses, sourcing local ingredients and employing local staff," says new owner John Cibescu.

Enjoy a drink in the beer garden at the Belgrave Hotel, live music every Sunday from 3pm - 6pm, or bring your family and friends for a meal and watch live AFL games on Friday, Saturday and Sundays.

The trusty pool table sees local champions slog it out every week, with a local pool competition set to begin at the Hotel on Tuesday nights, accompanying the already popular Tuesday pot and parma night.

Enjoy poker night on Mondays, cocktail night on Wednesdays and pasta night on Thursdays starting in May. Book early for Mothers Day on Sunday May 8 to treat your mum, or drag your friends along to Simpsons Trivia Night on Sunday 15 May.

The Belgrave Hotel is at 1645 Burwood Highway, Belgrave. For more information, email enquiries@belgravehotel.com.au, phone (03) 9754 2222 or visit belgravehotel.com.au
