New GPs join Mandala

By Elle Cecil

Established in 1980 by its principal, Dr Khai Mark, Mandala Clinic has developed a reputation of delivering personalised care plans to effectively treat patients' medical conditions and maintain wellbeing in a professional, friendly and comfortable environment. It has earned the reputation of providing supportive, compassionate and highly competent care to residents of the region for over 40 years.

In 2021, Mandala Clinic in Emerald welcomed a new general practitioner, Dr Farhat Zia. With 15 years of experience treating patients, Dr Zia has a special interest in adult, child and adolescent mental health, men's and women's health, and implanon insertion and removal. Dr Zia enjoys all aspects of general practice family medicine and chronic disease management.

In 2022, Dr Anthony Brown became Mandala Clinic's newest full-time male GP. With more than 15 years of general medicine experience, Dr Brown is passionate about holistic medicine, especially around lifestyle and promoting healthier habits to improve patients' health and wellbeing. Dr Brown's areas of particular interest include lifestyle medicine, mental health and family medicine of all ages, general practice procedures and skin cancer including skin checks and skin cancer removal.

Mandala Clinic provides high-quality medical care to residents of Emerald and surrounding areas, including mental health treatment plans, chronic disease care plans, heart health assessments and annual health assessments (ages 45-49 and 75+), while offering bulk-billing to patients aged 16 years and under. New patients are welcome at Mandala Clinic.

Mandala Clinic is located at 360 Belgrave-Gembrook Road, Emerald. Inquiries: phone (03) 5968 3733 or email dmlar2@emeraldsuperclinic.com. Opening hours are Mon-Fri: 9am-5pm, Sat: 9am-12pm.
