Emporium of your dreams

By Elle Cecil

With 40 years of collective experience and a true passion for the industry, husband and wife team Gary and Jen Van Den Broek are proud residents of Cranbourne that now own and run their jewellery business, JG Emporium.

Having lived in the area for more than 40 years, Jen and Gary stock and sell Australian and internationally branded jewellery, engagement and wedding rings, watches, bespoke and designer jewelry, high-end giftware and children's jewellery.

As well as stocking these items, JG Emporium offers bespoke design consultations, on-site repairs, remodeling, alterations and watch battery replacement services.

Indulge in the store's relaxed vibe, enjoying a complimentary coffee or tea in the customer's lounge while you share your jewellery dreams with designer Jen and jeweler Gary.

Jen's supplementary business Vous Creations is also sure to tickle the fancy of customers. Finally diving into her passion after a milestone birthday in 2021, Jen took the leap of faith and is now pursuing her lifelong vision, alongside her husband Gary and with the support of their four sons.

"Not only do I get to live my passion out loud, but I also get to celebrate and share this love with the people around me," Jen says.

"Stepping away from the corporate hustle and pursuing my creative dream has been one of the best things I could have ever done!"

JG Emporium is located at 58 High Street, Cranbourne - opposite Cranbourne Shopping Centre and next door to Kelly's pub, with ample parking available on and around High Street.
