All aboard for holiday fun with Port Phillip Ferries

If the kids are bugging you for an activity these school holidays, look no further than Port Phillip Ferries.

Sailing 365 days per year, enjoy an adventure across the bay beginning and ending at either Geelong, Portarlington or Docklands, with kid's tickets free over the winter school holidays.

Whether you are from Geelong or Portarlington and want a new and exciting way to travel to Melbourne, or want to explore the Bellarine and surrounds for the day, Port Phillip Ferries offers an entertaining and affordable option for the school holidays.

Each vessel comfortably seats 400 passengers, with a choice between the upper deck, lower deck or two outside decks for fresh air. The ferries have on-board Wi-Fi, charging stations, tables and drop down trays for your comfort and convenience.

Bring your bicycles on board so you can easily tackle transport at your destination - simply book a bike rack with your tickets online, but be quick, as only 20 bikes are carried on the vessel at a time.

If you are heading over for a longer time, the luggage racks on the ferries allow you to load your bags and suitcases for the duration of your journey, before collecting it prior to exiting the vessel.

There is a licensed cafe onboard offering sweet and savory snacks, coffee, juice, fizzy drinks, alcohol and other goodies from local producers such as Bellarine Smokehouse and Manzanillo Grove. The on-board cafes only accept card payments.

There are plenty of toilet facilities on board each vessel, with accessibility needs met as well. Prams, wheelchairs and motorised mobility scooters are facilitated on board with access to the cafe, bathrooms and fabulous views from the lower deck. Crew members will be on hand to assist boarding the vessel with ramps. Assistance animals and guide dogs with appropriate and valid accreditation are welcome on the ferries.
