All female dental clinic

Valley Dental Family Clinic is an all female clinic based in Lilydale.

The clinic is owned by Dr Rupali Prabhu and Dr Sonali Prabhu.

Rupali graduated from dental school in 1999. She has worked in private and public community clinics both in, and around Melbourne. She has also lived out of the city, spending a period of time in Benalla in rural Victoria.

Rupali is passionate about providing high quality dental care and takes pleasure in sharing a story and a laugh with her patients. She enjoys all aspects of dentistry and always strives to provide dental treatment in a relaxing and comfortable environment.

Rupali believes her practice and approach to dentistry creates an experience that will change your notion of what a trip to the dentist is. Outside of work she loves to spend time with family and her young children, sharing her passion for reading and traveling with them at every opportunity.

Sonali graduated from dental school in 2003. She has worked as a dentist in both community and private practices. She has also worked various roles within the dental industry. Sonali believes that your mouth is the gateway to better wellbeing, and that a great healthy smile will leave a great lasting impression on people.

Sonali loves interacting with patients and ensuring they are comfortable and at-ease. She enjoys all aspects of dentistry. She particularly loves working with older clients. In her spare time, she loves cooking delicious Indian dishes and enjoying time with her family and friends.

The third dentist, , joined the Valley Dental team 2 years ago and has been an integral part of the team ever since. With over 10 years of experience, Merhaz believes that world class dentistry should be delivered to each and every patient. Mehraz has a keen interest in aesthetic dentistry and is studying a certificate of Cosmetic Dentistry to introduce lip and cheek fillers to the clinic for our Valley Dental patients.
